The TCF for all boats noted on the result sheet will be recalculated after each race. The TCF may be amended if alterations affecting performance are made or an anomaly exists. The Race Committee's choice of handicap is final and shall not be grounds for a request for redress under Rule 62.1. In the case of boats, which have not previously raced or have not competed in enough races to establish a performance rating, then the TCF allocated will be provisional and may be reviewed by the Race Committee at any time. (TCF = Time Correction Factor)

11. RESULTS

Official provisional results will be placed on the MYCT website as soon as possible after they have been produced. This may not be until early in the week following an event. Results will also be emailed to all competitors at the first available opportunity. Results will be provisional until the time for lodgment, or hearing of protests and appeals has expired.

12. SCORING

Series Score: When fewer than six races have been competed, a boat's series score will be the total of her race scores. Protest forms are available on the MYCT web site.

Arbitration: In MYCT / LSC races, when a Protest arises from a breach of RRS Part 2, with the consent of the parties and at the discretion of the protest committee, an arbitration hearing may be heard prior to a protest hearing (affecting RRS 63). After the written protest form is properly lodged, one representative from each boat shall meet with the arbitrator, no witnesses shall be allowed.

Protests not resolved by arbitration shall be heard by the Protest Committee.

A boat that accepts fault at an arbitration hearing will be penalised by having her race score increased by 50% of the difference between the boats finishing score and the score for DSQ in her division or class, rounded up to the next whole number. All other boats scores will remain the same. Once accepted, this decision is not subject to reopening or appeal. This changes RRS63, 64.1(a), 66 and Appendix A.

The "MARINE AND SAFETY (PILOTAGE AND NAVIGATION) REGULATIONS 2007 - REG 42" prohibit the use of the middle three spans of the Tasman Bridge by vessels that are less than 15 m or being used for recreational purposes. 26. RULES

Races are governed by the "Racing Rules of Sailing 2017 – 2020" (RRS), the prescriptions of Australian Sailing (AS), the rules of participating classes, except as any of these are changed by these sailing instructions **and any government imposed COVID 19 restrictions in place on any given race day**. All skippers must be familiar with the rules and requirements of the RRS. Supplementary Sailing Instructions may be issued for special events. In the event of a conflict between the Notice of Race and these Sailing Instructions, the Sailing Instructions shall prevail.

NOTE: As Australian Sailing is no longer printing rule books to comply with safety requirements you will need to download the free app to your mobile phone or print your own copy of two publications The Racing Rules of Sailing and Special Regulations Part 1 for Racing Boats from the AS website.

27. RESPONSIBILITY

All those taking part in MYCT / LSC races do so at their own risk and responsibility. MYCT / LSC is not responsible for the seaworthiness of a boat, whose entry is accepted, or the sufficiency or adequacy of its equipment.

Attention is drawn to Fundamental Rule 4, which states 'The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.'

The attention of all persons is drawn to the requirement to be aware of the application of the *Marine Safety (Misuse of Alcohol) Act 2006*.

Attention is also drawn to the requirement for the yachts to keep well clear of vessels under pilotage, which will display Code flag H, especially vessels proceeding through the Tasman Bridge & up to EZ Works Wharf or the Oil Wharf.

All competing boats are required to maintain a COVID 19 contact log for each event in which they compete. This log must include the boat name, date, event (Eg. Summer Sunday Series Race 1) name and contact phone number for each person on board. This log must be produced upon request of the sailing committee. Failure to do so will result in the boat being scored DNC. This alters RRS A5.

In addition to compliance with all the rules and instructions, competitors shall at all times use discretion in preserving their own safety and that of their crew when afloat. In particular, no skipper/helmsman shall race their yacht when the Race Officer considers that conditions are hazardous due to weather or other factors. Code flag 'N over code flag A' shall be flown to indicate that racing is abandoned for the day. Competitors shall obey all directions given by the RO.

It is also recommended that boats have a Man Overboard procedure that all crew have practised.

Boats must report any serious on water incidents to the Race Officer/Race Committee as soon as practical e.g. man overboard, collision, grounding or crew injury.

Special Regulations: All boats taking part in the series shall comply with AS Special Regulations i.e. Category 7 plus a fully operational VHF radio.

28. ELIGIBILITY OF BOATS

Boats: Entry is open to all yachts and others who register their vessels and their insurance details with the organisers. Entries may be accepted at the absolute discretion of the Sailing Committee.

Divisions: Races will be open to 2 divisions. Divisions 1 & 2 at the discretion of the sailing committee. If there are insufficient entries to justify two divisions then the event and / or series will be run with one division only.

29. ALTERATIONS AFFECTING PERFORMANCE

The MYCT Office must be notified in writing of any change in hull, ballast, keel, rudder, engine, propeller, spars or sail area at least three days before the race affected by the change. If the Race Committee has not been given the opportunity to adjust the handicap, it may be adjusted by the Race Committee at any time. **FAILURE TO NOTIFY A CHANGE WILL RESULT IN DISQUALIFICATION.**

30. ANCHORS

In all MYCT / LSC Races, anchors must not protrude beyond the gunwale of boats.

31. ELIGIBILITY

Refusal of Entries: MYCT/LSC reserve the right to refuse any entry. Neither entry nor registration is valid until accepted by the Sailing Committee

A yacht crew wishing to participate in the whole series may pay \$40.00 as payment in full before the first race of the series. If a boat is unable to enter by the nominated time then it may enter by reporting to the RO prior to the start time. However, such entry will be 'provisional' until such time as the appropriate fee is paid.

Insurance The owner of a boat entering a Club race shall have a Public Liability and Third Party insurance with respect to the boat of not less than \$10,000,000 when racing.

Eligibility of Helmsman and Crew: Australian Sailing Rule 46 prescribes that the person in charge shall be a member of a Club affiliated to Australian Sailing and an Australian Sailing card holder (SIN). Also, any crew member who sails in more than 3 races in a season shall be a member of a Club affiliated to Australian Sailing and an Australian Sailing card holder (SIN).

From 1 January 2021 the Australian Sailing prescription to the rule will require that all crew are members of an affiliated club and registered with AS - regardless of the number of races they have competed in.

Sails: Running sails e.g. spinnakers, bloopers and the like are not permitted. Only one sail may be carried forward of the mast unless the yacht obviously has a cutter rig. The forward sail must be tacked on its normal deck fitting and be fully attached to the stay on which it is normally set.

32. SAFETY

(a) Crisis Safety Plan: The MYCT / LSC have a planned procedure that will apply should an emergency occur during a race. If the Race Officer, RO, decides that a situation warrants assistance he will direct a previously designated boat, or boats, to the rescue work. A Boat acting under RO instructions will fly Code Flag D and must be given complete clearance by all other vessels.

(b) Safety Regulations: Boats shall comply with Australian Sailing (AS) Special Regulations 2017-2020 Part 1; Category 7. Section 3.02.3(a) is mandatory. In all Category 7 races AS. Special Regulations Part 1, Section 5, 5.01.1 (g) (Lifejackets) shall apply.
