# ***MYCT/LSC Winter Series 2023***

### **SAILING INSTRUCTIONS**

#### **1. SCHEDULE OF RACES**

Races are scheduled as follows:

16/04/23	Race 1	16/07/23	Race 4
21/05/23	Race 2	20/08/23	Race 5
18/06/23	Race 3	17/09/23	Race 6

#### **2. GROUPS**

Boats will be allocated to groups by the MYCT/LSC Sailing Committee based on their size and speed. Times of Group Starts and allocation of boats will be advised by email/SMS and on the MYCT website

#### **3. FIRST WARNING SIGNALTIMES AND GROUP IDENTIFIERS**

The starting signal will be five (5) minutes after the Warning Signal

Group	Warning Signal	Starting Time	Group Numeral
1	0955	1000	1
2	1000	1005	2
3	1005	1010	3
4	1010	1015	4
5	1015	1020	5

#### **3. RACING AREA**

Racing will be conducted on the Derwent River within an area bounded by the John Garrow Light to the South, Lindisfarne Bay to the East, Cornelian Bay to the West and Shag Bay to the North.

#### **4. STARTING LINE**

The committee boat will be positioned on the river in an area between the mouth of Lindisfarne Bay and the Botanical Gardens. The start line will be between the orange mast or flag on the committee boat and a yellow flag or an existing mark e.g. Rose Bay permanent mark. A green distance marker may be laid astern of the committee boat. Competitors must not pass between the committee boat and the distance marker.

Note: If a substitute vessel is used, flag signals may not be used. The starting procedure will be communicated via VHF Channel 9. Sound signals may be used.

#### **5. FINISHING LINE**

The finishing line for all courses is between the Committee Boat and Mark Z.

In the unlikely event that a committee boat is not available, then we will ask competitors to take their own finish times using the following finishing line definition:

The finish line is between Mark Z and the Rose Bay shoreline. A yacht finishes when it crosses an imaginary transit between Mark Z and the red beacon just off Lindisfarne Point (i.e. when Mark Z is in line with the red beacon just South of Lindisfarne Point.) **All yachts must finish by leaving Mark Z to port.** Note: the red beacon denotes shallow water on the inside.

We rely on the honesty and integrity of all competitors to record these times as accurately as possible. Remember this is a “fun” event. All times are to be reported by SMS to **0409 979 490** (Keith) or **0429 059 692** (Nigel) by 7pm on the day. Failure to advise will result in a DNF.

## **6. CLEAR AREA – STARTING AND FINISHING LINES**

Boats shall keep clear of the starting line during the starting of races other than the one in which they are competing. Boats after starting correctly, shall not pass through the start line unless directed by the course instructions. Once finished yachts must not return through TSFL.

**Note: If a substitute vessel is used, flag signals may not be used. The starting procedure will be communicated via VHF Channel 9. Sound signals may be used.**

## **7. DELAYED START**

A start may be delayed, for example, to facilitate the safe passage of a large commercial vessel. A delayed start will be notified on VHF Channel 9 and by hoisting CODE FLAG “AP” onboard the Official Committee Boat.

## **8. STARTING INSTRUCTIONS**

After each start there may be a 30 second time lag in the displaying of the new group identifier but the time for the succeeding group shall be taken from the signal indicating the start of the previous group. Competitors may be advised of starting procedure signals on VHF Channel 9.

## **9. COURSE SIGNALS**

A flag flown from the Committee Boat will indicate the course. The course flag will be hoisted at the time of the first warning signal and may be announced on VHF Channel 9.

## **10. COURSES.**

### **12. RECALLS**

There will be no individual recalls, boats that start before their scheduled time will be penalized by a minimum of one (1) minute or twice the amount of time to which they were early whichever is the greater. This changes RRS 29.1.

### **13. SHORTENING COURSE**

A course may be shortened at the discretion of the RO in line with section 32.2 RRS 2021-24. The Race Committee will signal a shortened course by an announcement on VHF Radio Channel 9. Please note that the RO may be embarked in a competing yacht.

### **14. INCORRECT COURSE**

If a RO or Race Official observes a boat incorrectly rounding a mark, sailing the incorrect course, the boat may be scored DNF. This changes appendix A - Scoring A5.

### **15. TIME LIMITS**

The time limit for each race is 1300 hrs. All boats that do not finish before the time limit has expired will be scored DNF. The time limit may be extended at the discretion of the Race Officer.

The Race Committee may record the times of boats at the finish of a lap if the course allows. If it is unlikely that any boat will finish within the time limit the Race Committee may display the Code Flag 2nd Substitute accompanied by two sound signals which will indicate that the race has been finished at the end of the recorded lap. An announcement will also be made on the VHF Channel 9. This alters RRS 32.

### **16. NUMBER OF CREW**

All boats are to carry a sufficient number of crew. The minimum number will be two.

### **17. SAILS**

Running sails e.g. spinnakers, bloopers and the like **are** permitted.

### **18. ANCHORS**

No boat is to have an anchor protruding over the bow while competing in an event.

### **19. RETIREMENTS**

In the interests of good seamanship and safety, boats retiring for any reason must report the circumstances as soon as possible after retirement. The preferred method of reporting is via VHF Channel 9. Any boat retiring must report the fact to the race committee as soon as possible.

### **20. HANDICAPS**

Handicaps will be on a TCF moving average basis beginning from a TCF determined by the Race Committee. The TCF for all boats noted on the result sheet will be recalculated after each race. The TCF may be amended if alterations affecting performance are made or an anomaly exists. The Race Committee's choice of handicap is final and shall not be grounds for a request for redress under Rule 62.1.

In the case of boats, which have not previously raced or have not competed in enough races to establish a performance rating, then the TCF allocated will be provisional and may be reviewed by the Race Committee at any time. (*TCF = Time Correction Factor*)

### **21. RESULTS**

Official provisional results will be placed on the MYCT website as soon as possible after they have been produced. This may not be until early in the week following an event. Results may also be emailed to all competitors at the first available opportunity. Results will be provisional until the time for lodgment or hearing of protests and appeals has expired.

### **22. SCORING**

**Minimum Number of Races:** Four races are required to be completed to constitute a series.

**Series Score:** When fewer than five races have been competed, a boat's series score will be the total of her race scores. When six races have been completed, a boat's score will be the total of her race scores excluding her two worst scores. Similarly, if only five races are completed then a boat's score will be the total of her race scores excluding her one worst score.

#### **Club Duties**

Entrants that are rostered to act as Race Officer or sailing staff in any event and as a result cannot compete will be awarded average points for that event. Average points will be determined as the average of all races other than those in which the competitor acts as Race Officer or sailing staff for that series.

#### **23. PROTESTS**

Protests and requests for redress arising from races in any Winter Series event, must be lodged at the MYCT office by 1400 hours on the day immediately following the posting of the results and be accompanied by a \$20 fee. The protest will be heard at a time and place determined by the MYCT / LSC Protest Committee.

Protest forms are available on the MYCT web site.

**Arbitration:** In MYCT / LSC races, when a Protest arises from a breach of RRS Part 2, with the consent of the parties and at the discretion of the protest committee, an arbitration hearing may be heard prior to a protest hearing (affecting RRS 63). After the written protest form is properly lodged, one representative from each boat shall meet with the arbitrator, no witnesses shall be allowed. Protests not resolved by arbitration shall be heard by the Protest Committee.

A boat that accepts fault at an arbitration hearing will be penalised by having her race score increased by 50% of the difference between the boats finishing score and the score for DSQ in her division or class, rounded up to the next whole number. All other boats scores will remain the same. Once accepted, this decision is not subject to reopening or appeal. This changes RRS63, 64.1(a), 66 and Appendix A.

#### **24. PRIZES**

Trophies will be awarded to the winners of the series. A prize may also be awarded to the winners of individual events. Such awards will be given at the discretion of the MYCT/LSC Sailing Committee, and any sponsors involved.

#### **25. NOTICES TO COMPETITORS**

If a race is abandoned competitors will be informed by radio on VHF Channel 9, display of flag N, N over H, or N over A, with three sounds. (RRS 32.1)

#### **27. CHANGES TO SAILING INSTRUCTIONS**

Any change will be communicated by SMS and/or Email no later than two hours before the start of the affected event. On the water attention will be drawn to any change by a sound signal, the hoisting of CODE FLAG “L” and an announcement on VHF Channel 9. Changes will also be placed on the MYCT website as soon as possible.

**28. RADIO INSTRUCTIONS**

All competitors shall maintain a listening watch on VHF Channel 9 for announcements by the Race Committee. Competitors should also monitor VHF Channel 16 at all times.

The Race Committee may broadcast the course to be sailed, names/sail numbers of On Course Side (OCS) boats and/or other information of interest to competitors on VHF Channel 9. Requests for repeat of broadcasts may not be acknowledged.

**APPENDIX A**

## **OTHER REQUIREMENTS**

### **1. RACING RULES**

Races conducted by MYCT/LSC are governed by the "Racing Rules of Sailing 2021 – 2024" (RRS), the prescriptions of Australian Sailing (AS), and the rules of participating classes, except as any of these are changed by these sailing instructions. All skippers must be familiar with the rules and requirements of the RRS. Supplementary Sailing Instructions may be issued for special events. In the event of a conflict between the Notice of Race and these Sailing Instructions, the Sailing Instructions shall prevail.

NOTE: As AS is no longer printing rule books to comply with safety requirements you will need to download the free app to your mobile device or print your own copy from the AS website.

### **2. RESPONSIBILITY AND SAFETY REGULATIONS**

All those taking part in MYCT/LSC races do so at their own risk and responsibility. MYCT/LSC is not responsible for the seaworthiness of a boat, whose entry is accepted, or the sufficiency or adequacy of its equipment.

Attention is drawn to Fundamental Rule 3, which states 'The responsibility for a boat's decision to participate in a race or to continue racing is theirs alone.'

The attention of all persons is drawn to the requirement to be aware of the application of the *Marine Safety (Misuse of Alcohol) Act 2006*. Attention is also drawn to the requirement for the yachts to keep well clear of vessels under pilotage, which will display CODE FLAG 'H', especially vessels proceeding through the Tasman Bridge to or from the Nyrstar Works Wharf or the Selfs Point Oil Wharf.

In addition to compliance with all the rules and instructions, competitors shall at all times use discretion in preserving their own safety and that of their crew when afloat. In particular, no skipper/helmsman shall race their yacht when the Race Officer considers that conditions are hazardous due to weather or other factors. CODE FLAG 'N' shall be flown to indicate that racing is abandoned for the day. Competitors shall obey all directions given by the RO.

It is also recommended that boats have a Man Overboard procedure that all crew have practiced.

Boats must report any serious on water incidents to the Race Officer/Race Committee as soon as practical e.g. man overboard, collision, grounding or crew injury.

**Special Regulations:** All boats taking part in the series shall comply with AS Special Regulations i.e. Category 7 plus a fully operational VHF radio.

**AS Equipment Audits:** The Race Committee may from time to time inspect boats for compliance with AS special regulations.

### **3. ELIGIBILITY**

**Refusal of Entries:** MYCT/LSC reserve the right to refuse any entry. Neither entry nor registration is valid until accepted by the Sailing Committee

**Registration and Payment:** Eligible boats may be entered by lodgment of a completed entry form with the MYCT office or bar not later than 1600 hours on the day of the race and payment of the entry fee (\$15 per race or \$100 for the series). If a boat is unable to enter by the nominated time then it may enter by reporting to the RO prior to the start time. However, such entry will be 'provisional' until such time as the appropriate fee is paid.

**Compliance:** Boats must comply with the AS Special Regulations for Category 7 safety as well as MAST requirements. Acceptance of an entry from any yacht shall not create a precedent for consideration of an entry by any other yacht.

**Insurance:** The owner of a boat entering a club race shall have a Public Liability and Third Party insurance with respect to the boat of not less than \$10,000,000 when racing.

**Eligibility of Helmsman and Crew:** "Australian Sailing prescribes that the person in charge shall be a member of a Club affiliated to Australian Sailing and have an Australian Sailing number." It is also a

requirement of AS that all persons on board a boat while racing shall be members of a club affiliated to Australian Sailing and have an Australian Sailing number, or hold a valid SailPass. To obtain a SailPass visit the AS website.

Furthermore, any crew member who sails in more than 3 races in a season shall be a member of a club affiliated to Australian Sailing and have an Australian Sailing number.” (RRS Rule 46)

**Alterations Affecting Performance:** Changes that may change the boat’s performance must be advised to the Race Committee before the race affected.

#### **4. SAFETY**

##### **Crisis Safety Plan:**

The MYCT/LSC have a planned procedure that will apply should an emergency occur during a race. If the RO, decides that a situation warrants assistance he will direct a previously designated boat, or boats, to the rescue work. A boat acting under RO instructions may fly Code Flag D and must be given complete clearance by all other vessels.

**Safety Regulations:** Boats shall comply with Australian Sailing (AS) Special Regulations - Effective 1 July 2021 – that relate to Category 7.

**Emergency Meeting Point:** Should a boat require emergency medical assistance the RO will direct boats to a nominated meeting point for emergency services at the MYCT’s floating fuel berth unless specific alternative arrangements are notified.

**Life Threatening Situations:** In the event of a life-threatening situation occurring the RO will immediately dial 000 and provide succinct information to the Police Radio Room Operator, after being transferred by the Telstra operator, sufficient to enable an assessment of the response required to be made and the provision of that response in a timely manner. The RO will keep a log of all calls made by phone or radio during the period of the life-threatening situation.

The relevant phone numbers are:

Emergency	000
Police Radio Room	131 444
Hobart Port Control	6380 3018
Tas Maritime Radio	6231 2276
MYCT	6243 9021

**Incident Debrief:** The MYCT/LSC Race Committee is endeavouring to minimize risks in events it conducts. To this end the Race Committee may seek the cooperation of competitors involved in a race safety incident to assist in the debrief. Competitors will be under no obligation to participate in the debrief.
